

SEUCOM DIGITAL SIGNAGE FLOOR STANDING

STANDARD

MIRROR

75"

VISUAL IMPACT

SEUCOM Digital floor standing signage offers a stunning display to attract attention and has a variety of screen sizes for public spaces, as well as displaying content with interesting images and videos.

SPACE EFFICIENCY

With just one Kiosk, you can reach two markets or public spaces at once, and can save costs and increase the efficiency of space use.

INTERACTIVITY

There are two types of models with a touchless screen and a touch screen that can be used for audience interaction. With this type of touch screen, it is possible to collect data and direct the audience to the information or product they are looking for or want.
